When you place your order you also reserve indoor Café seating for your group, or you may pick up your lunches from Bella Caffé and enjoy a picnic on the Pink Palace grounds.

To place your order please mail the attached order form along with your Tax Exempt form (if applicable) & a deposit check for 25% of the total, made payable to Bella Caffé. Be sure to place your order at least 2 weeks before your visit. The earlier you place your order & mail your deposit, the better the chances of available space. Once your deposit is received, we will call or e-mail you to confirm. If you don't hear from us soon after mailing your order, please call to verify receipt (901.636.2407). If your field trip is sooner than 2 weeks away, please call ASAP to make arrangements.

Please keep in mind; any additional guests you bring that do not preorder their lunch will have to order off of the regular lunch menu along with any other customers in the café at that time. That means they may not have the opportunity to eat at the same time as your pre arranged lunch. If Parents or Chaperones want to eat with the group, they also need to preorder their lunch.
