Our long-time partners and friends at Delta Dental have once again come through for kids and families of Memphis by putting on the Enchanted Forest and Festival of Trees. Come visit! It’s a feast for the eyes and ears to see such holiday spirit and the laughter and squeals of kids enjoying this time-honored tradition.

The Enchanted Forest and Festival of Trees is open until December 31, 2019*. Make a visit part of your family holiday tradition!

*Santa, of course, will have to leave on December 24. Duty calls!

Calories, protein and carbs – Oh my!
Although Memphis and the Mid-South score high on the poverty and overweight scales, a local health organization is actively seeking ways to guide youth to good food choices. Baptist Memorial Health Care has partnered with the Pink Palace Education Department since 2012 through the Learning Labels program.

Want STEM? It’s in there!
Using math, science and reading skills, students are taught to read and understand nutrition labels, calculate carbs and calories, and make healthy food choices. An educated public is a less-obese public, and lower weight translates to higher energy, improved health and sharper minds.

Where’s the beef?
Through Learning Labels, students learn how to find the beef, but also how to weigh its impact on their lives.

Help the Pink Palace Museum, Baptist Memorial Health Care, and local students — our future employers and employees — by “beefing” up your gift today! You can make a real difference!

Want to donate? Questions? Contact Cathi Johnson at 901-636-2412 or cathi.johnson@memphistn.gov.

Lucyday Foundation
Sandra Newsom
Mary Scheuneman
Patricia Svoboda
Linda Thrift
Danielle Wilkinson
Betsy Yancey

Memorials: Henry Leif Entzminger
Jan Berry
Ben and Ginger Cook
Ellen and Harry Hitchcock
Emily Hitchcock
Robert and Mary Lou Entzminger

A message from a recent visitor:
"I had a wonderful visit. The Lichterman Nature Center is truly a treasure! I encourage others to visit and enjoy the beauty that I so enjoyed. The display of native animals is always appreciated!"

Students experience ‘light bulb moments’ at the Museum, Lichterman Nature Center, and Mallory-Neely Historic Home! Please turn on the light bulb! Send a gift today.

From Kirby Woods Garden Club:
Honorary: Ray McMullen
Memorial: Landen Max Dula
